|---|---|
| <ol style="list-style-type: none"> HIS Explain a grievance listed in the Declaration of Independence in terms of its relationship to Enlightenment ideas. HIS Show how the Northwest Ordinance established a precedent for governing the United States. HIS Develop an argument that a particular provision of the Constitution of the United States would help address a problem facing the U.S. in the 1780s. HIS Compare the arguments of the Federalists/Anti-Federalists on a common topic related to the ratification of the Constitution of the U.S. and hypothesize why the winning argument was more persuasive. HIS Cite evidence for historical precedents to the rights incorporated in the Bill of Rights. IND Analyze the events that led to the U.S. transitioning from an agrarian to an urban industrial society. Explain the social and economic effects of industrialization following Reconstruction. | <ol style="list-style-type: none"> IND Analyze and evaluate how immigration, internal migration and urbanization transformed American life. IND Analyze the post-Reconstruction political and social developments that led to institutionalized racism in the United States. Describe institutionalized racist practices in post-Reconstruction America. IND Analyze and evaluate the success of progressive reforms during the late 19th and early 20th centuries in addressing problems associated with industrial capitalism, urbanization and political corruption. FOR Analyze the circumstances which enabled the United States to emerge as a world power in the early 1900s. FOR Explain why and how the United States moved to a policy of isolationism following World War I PRO Describe how racial intolerance, anti-immigrant attitudes and the Red Scare contributed to social unrest after WWI. Describe how improvements in technology, |
