## TIER 1

### **Purpose**

As students engage in the Tier 1 activity, they respond in writing to one of the provided prompts. They use prior knowledge (recall-DOK 1) to respond. It is through this activity that they begin thinking about the overall theme of the Five-Tier Writing Assessment.

### **Directions**

Tier 1 provides students with three different writing prompts related to the theme of the entire Five-Tier assessment.

- Instruct the students to read all three writing prompts and to respond to the one for which they believe they have the most knowledge or experience.
- Provide the students with approximately 15 minutes to respond to the prompt in writing. They are to write their response in the box provided at the right.
- This response is NOT scored. The purpose is to get the students *THINKING* about the theme.

Below is a sample of what the students see in Tier 1.

*Note that there is a **tab** for each five-tier activity with Depth of Knowledge (DOK) level listed.*

The screenshot displays the user interface for the Five-Tier Writing Assessment. At the top, a navigation bar shows 'Tier 5 Writing (Leadership) (DOK: 1)' and various utility buttons like Line Reader, Masking, Full Screen, Zoom Out, Zoom In, and Save. Below this, a series of tabs represent different tiers: TIER ONE - DOK 1, TIER TWO - DOK 2, TIER THREE - DOK 3, TIER FOUR - DOK 4, and TIER FIVE - DOK 4. The 'TIER ONE - DOK 1' tab is selected and highlighted with a red arrow labeled '1. Tier 1 Directions'. The content area for this tab contains instructions: 'Thinking about what makes a good leader has been a topic that people have discussed in the past and in the present. Think about what you know about good leadership. Choose one of the writing prompts below. Click on it and respond to it in one or two paragraphs in the space provided.' It then lists three prompts: 'PROMPT # 1: Write one or two paragraphs in which you discuss the reasons why a person would want to be a leader. Explain what you know about a person who wants to become a leader.', 'PROMPT # 2: Write one or two paragraphs in which you explain what makes a good leader. Explain what you know about the characteristics of a good leader.', and 'PROMPT # 3: Write one or two paragraphs in which you explain how good leadership affects the people being led. Explain how good leadership positively affects others.' To the right of the prompts is a text entry area titled 'Write your response here:' with a rich text editor toolbar. A red arrow labeled '2. Student writes response' points to this area. At the top right of the response area, a red arrow labeled '3. Save response' points to the 'Save' button in the utility bar.

When students have completed their responses in the right window, they should click “**Save.**”

A message will show:

When the students click “OK,” they will be taken to the following information window:

## **TIER 2**

### **Purpose**

The purpose of the Tier 2 activity is to engage students in reviewing information that can be used to support their ideas presented in future Five-Tier activities (comprehend, identify-DOK-2).

Tier 2 includes several sources that provide information about the theme of the Five Tier Writing Assessment. The information is presented in texts, videos, charts, etc. This provides students opportunities to learn the value of researching a topic to enhance their ideas/conclusions about a theme.

The Tier 2 activity is NOT scored. The purpose is to get the students *THINKING* about the theme.

### **Directions**

The Tier 2 activity can be administered in two different ways:

- Students may take 20-30 minutes to review the sources.
- Students may take an entire class period to review and take notes about what they learn from the sources. They can use the notes the next day as they engage in Tier Three, when they will respond to an extended writing prompt.

Ask students to think about the main ideas of each source as they view them.

Let the students know that they will be able to refer back to Tier 2 as they write an essay later in the Five-Tier activity.

**Tier 5 Writing (Leadership) (DOK: 1)**

TIER ONE - DOK 1 | TIER TWO - DOK 2 | TIER THREE - DOK 3 | TIER FOUR - DOK 4

**DIRECTIONS:**

Read the following sources about leadership. Then watch the short video that follows.

**Source 1**

**What is Leadership?**

Most leaders are recognized by others. Some people are born who is important. Therefore, many people dream of becoming a leader. These people believe leadership provides them a sense of respect. Who are these people who want to be leaders?

Some people crave to be admired by others. They feel they somehow deserve recognition for being the persons they are. They often developed these feelings when they were little children. Perhaps this comes from seeing a variety of leaders on television, in the news, and in schools. They somehow idolize these leaders.

Not all leaders want fame and recognition. Many of them see issues they truly believe they can help solve. They educate themselves about the issues and form plans that can help others. Through the encouragement of their friends, family, teachers, etc., they eventually pursue opportunities to lead. It is very important that people choose leaders who will be positive influences on others.

**Source 2**

**What are the Goals of Leaders?**

Leaders need to encourage others to do something positive. There are many types of leaders whom people might follow. The chart below describes three types of leaders.

Types of Leadership	Purpose
---------------------	---------

### **TIER 3**

#### **Purpose**

The purpose of the Tier 3 activity is to provide students an opportunity to write an extended response to share their knowledge about the theme of the Five-Tier activity. They will be asked to respond to a writing prompt related to the theme of the Five Tier assessment (application, analysis, synthesis-DOK 3).

#### **Directions**

Ask the students to read the prompt carefully and to look for the verbs that indicate what they need to do.

**Read:** Write an essay in which you **discuss** the requirements and effects of good leadership. **Use the information** from the sources in Tier Two to **support** your ideas.

***NOTE:*** By locating the verbs within the above writing prompt, the students learn that they are to “discuss” the theme, “use information” to “support” their ideas.

Tell the students to do their writing in the box provided at the bottom of the page. Tell them that if they get to the bottom of the box, it will get larger to accommodate their writing.

It is recommended that you read aloud the criteria of a well-written informational response, which is below the prompt to remind them of how it will be scored.

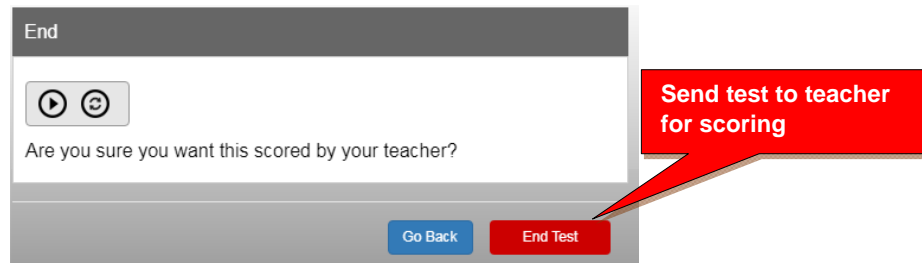

**Your writing will be scored on how well you:**

- Clearly state the topic,
- Organize your essay with a clear beginning, middle, and conclusion,
- Develop the topic with facts, details, and relevant evidence from the passages,
- Include linking words, phrases, and clauses to clarify relationships between ideas in the essay, and
- Maintain a formal style.

Most students need 20-40 minutes to complete the extended writing response. This depends on the level of students and the difficulty of the topic. For this reason, many educators take two class periods to complete a Five-Tier writing activity.

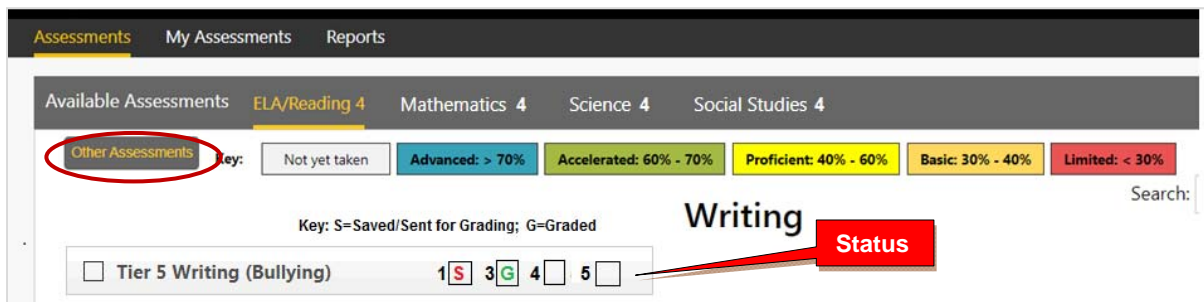

When students have completed their essay, they should click “**Send (Score).**” A message will show:

Selecting “End Test,” the student will see an information window that shows the essay has been sent to the teacher.

In the student's **Other Assessments** window, the 5TW assessment will show the status of the assessments **Saved** or **Sent** to the teacher and/or scored (**Graded**) by the teacher.

Writing scores are available to the student in the student's Report Card (*later below*).

### The Teacher Locates the Tier Three Writing for Grading

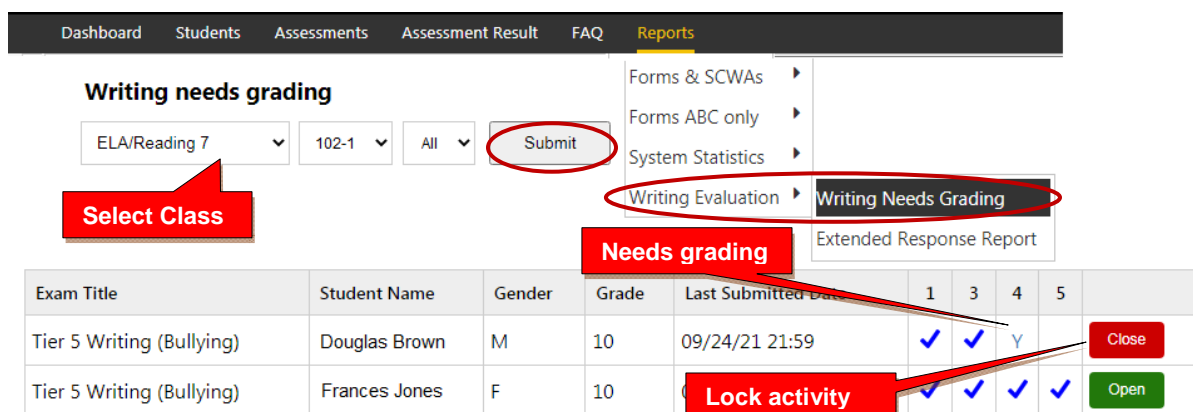

The teacher logs-in as usual (*see Section J of the Pro-Core User Manual*)

From the teacher's Menu bar **Reports** tab, select ...

1. **Writing Evaluation**
2. **Writing Needs Grading**
3. Select the ELA Reading class, and
4. Click **“Submit.”**

The 5TW title will appear along with the selected class list of students.

The tier 1 writing will show a *checkmark* if the student has saved it. A tier with a **“Y”** needs grading. To score each student's essay, click the **“Y”** under the tier#, and it will take you to the student's response.

The first response you see will be the student's response to **“Tier 1.”** Tier 1 will not be scored. You may lock the student activity at any time by clicking the **Close** button. The button will change to **Open** if you wish to re-open the activity.

## Grading the Tier 3 Essay

The Tier Three written responses should be scored holistically. A score of 0-4 is given based on the criteria within the rubric that is included within the teacher’s view of the response.

When you click on the “Tier Three” tab, the Pro-Core rubric will appear on the left.

## TIER 4

### Purpose

The purpose of the Tier 4 activity is for students to draw conclusions and analyze what they learned about the topic. To be successful, they must synthesize the information into a plausible conclusion (analysis, draw conclusions-DOK 3) about what they have learned about the topic.

### Directions

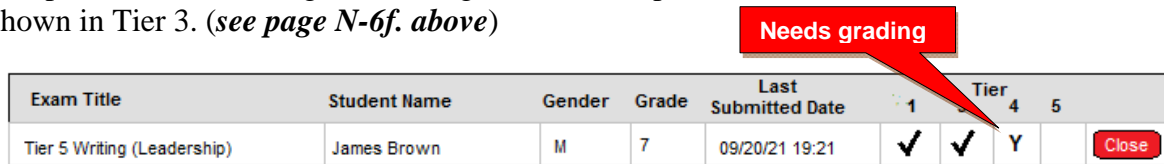

Ask the students to read the prompt carefully and to look for the verbs that indicate what they need to do—as they did for the Tier Three prompt). They should be given approximately ten minutes to respond to this prompt.

Tier 4 sample

When students have completed their response, they should click “**Send (Score).**” As in Tier 3, a message will show that the writing has been sent to the teacher. (*see page N-5f. above*)

### Locating and Grading the Tier 4 Responses

The procedure for finding and scoring the Tier 4 response is the same for the teacher as shown in Tier 3. (*see page N-6f. above*)

## **Suggested Extended DOK 4 Activities**

Students are put into group, and each group is given a task that relates to the theme of the Five-Tier activity. The groups are asked to perform any one of the following tasks:

- Create a poster that includes one word and a sentence that expresses the main idea of the theme. They **MUST** do further research about the theme, and they should add two or three sentences at the bottom of the poster that relates to the **new** information they found. The poster should include at least **ONE** visual. The purpose of the poster would be to educate others about the theme.
- Conduct a survey about the theme that includes four or five questions. Survey approximately 25 students who are not in the class. They can record or video tape it, or they can hand a paper copy to the students and ask them to respond in writing. Then, have the group create a chart or graph that shows the responses. Then, they should report their findings and their conclusions to the class.
- Create a talk show in which they 1) research the theme for new information, 2) stage a make-believe talk show in which there is a host and two or three guests, 3) interview the guests about the theme, 4) draw conclusions about what they heard during their interviews. The talk show could be performed in front of the class.
- Make a video that includes students as they respond to the theme. The group must do further research to discover **new** information about the theme. This information should be addressed in the video. The group should assume the audience would be other students. Its goal would be to educate others about the theme.
- Locate three or four new pieces of information about the theme from further research. Have each person present one of the new findings to the rest of the class. Each presenter must create a visual (a chart, poster, etc.) to support their ideas.

## **Future Five-Tiered Writing Assessments *in Development***

In the future, Pro-Core will provide more five-tiered writing assessments in English-language arts, social studies, and other disciplines. The assessments will vary according to theme and/or content.

In English-language arts, there will be two types of five-tiered writing assessments. One will ask students to write informational pieces, and the other one will ask students to write argumentative pieces.

In social studies, the passages will focus on various content areas covered during instruction.
