## Sample Two-Part Test Question

The question below is a 2-point “evidence-based” question in which you must get both parts correct in order to receive the 2 points.

The screenshot shows a Pro-CORE assessment interface. At the top, it says "Pro-CORE C-10 Paced Diagnostic". Below that, there are navigation buttons: "Previous", "Question 1 of 32", "Next", "Form A: American History 2.0 (DOK: 1)", "Full Screen", "Standard", "Save", and "End". The main content area is divided into two parts. Part A asks: "Which of the following statements accurately reflects the expression of Enlightenment ideas of the late 1600s and early 1700s?" with four options: A. "Success required a moderate policy, a restoration program, and the return of property." B. "Individuals had a natural right to defend their lives, make themselves free from government oppression, and hold freedom of choice." C. "Settlers needed to experience stronger taxes, less favoritism for plantation owners, and a bountiful harvest if their lives were to be improved." D. "It was essential to renounce the concept of slavery, achieve emotional nirvana, and abandon global religious views in order to accomplish piety." Part B asks: "The U.S. Declaration of Independence included a list of grievances against the British king. Which phrase from this historical document summarizes the basis of the grievances, while reflecting the Enlightenment ideas expressed in the correct answer in Part A?" with four options: A. "When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, ..." B. "... a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation." C. "... that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness." D. "Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes;"

## **AFTER THE ASSESSMENT**

1. Be sure you have correctly logged-out of the system.
2. Your test results and diagnostic reports for your teacher will be available at the end of the school testing period.

## My Assessment Completed Report

“**My Assessments**” shows the assessments you have completed. The Form A, B or C assessments can only be taken once, so they will be removed from “Available Assessments” and moved to “My Assessments.”

The screenshot shows the "My Assessments" report. At the top, there are three tabs: "Assessments", "My Assessments" (which is highlighted with a red circle), and "Reports". Below the tabs, there is a section titled "Student Assessments". To the right of this section is a search bar. Below the search bar is a table with the following columns: "Title", "Subject", and "Action". The table contains two rows of data:

Title	Subject	Action
Form A: R6a On-Line Test 2.0	ELA/Reading 6	Score
Form A: S6a On-Line Test 2.0	Science 6	Score

There are two callout boxes. One points to the "Assessments completed" section and the other points to the "View your Score" button.

For example, the two assessments listed above are no longer available to retake since they are both are Form A assessments you have completed. Be aware that if you return to **Other Assessments**, it will say “**No Exams Available**” because the exam has already been taken.

## My Assessment Results Report

Selecting “**Score**” in My Assessments will show you your response scores.

**New!** The **performance comparison graph** shows historical Form C results for students in the past with your particular score.

Clicking a question (Q#) will show the question and your response.
